*more than meetings...*

## meetings, conferences, events:

**Comprehensive oversight and planning** for meeting, event and travel logistics. Customizable programs to fit every client's requirements. The right meeting with the right **sizzle** guarantees increased **ROI**...meetGCA will show you how.

## travel management:

meetGCA's track record and **vast international network** of travel industry professionals ensures that we're talking to the right people to find the **most cost effective travel solutions**. Hotels, airlines, private transportation, we've got that covered. **Credibility, integrity, experience and connections**...we're bringing that to the table too.

## incentives:

We understand you and your staff work hard to keep your business a success. **Motivating** them with **inspiring destinations** and the best service, create year over year **return on employee value**... meetGCA knows where to take you because we've already been there.

## why meetGCA?

meetGCA has unparalleled international travel experience. We are consultants to small business, big business, associations and non-profits. If you're too busy trying to coordinate your own meetings and travel, then your focus may be in the wrong area. It's time to turn it over to us...the **experts**.

Our worldwide network of industry partners didn't come overnight. These **relationships**, cultivated through years of collaboration, allow us to pass on added value in price, experience and creativity producing **successful outcomes for our clients**.

meetGCA can help you **capture new business** opportunities by creating stimulating meetings and events, amazing incentive trips, managing travel spend, or just organize a product launch in a new international market. **meetGCA will ensure our network gets you where you're going.**

**meetGCA is your planner, consultant, advisor and friend. We are meetGCA.**
